## “ACTING TOGETHER: FROM DIALOGUE TO COMMON MISSION”

*With workshops and a public event  
sponsored by the Commission on  
Faith & Witness of the Canadian  
Council of Churches*

There is substantial agreement among the Christian churches about what we believe, and we have a deeper sense today that we are truly brothers and sisters in Christ. Is it now time to build on this and ask what can we be doing together to impact our world for the kingdom of God?

The days of violent inter-church conflict are over. Sometimes churches still relate as competitors. Can we coordinate our efforts to avoid duplication and begin to engage in common mission?

Two internationally-renowned speakers will challenge us on this theme.

### **Worship Leader – Bruce Harding**

We are excited to have Bruce Harding, gifted United Church hymnologist and musician, to get us singing and worshipping.

Director,  
Prairie Centre for Ecumenism

As part of the conference, there will be a “Missions Marketplace” event where there will be opportunities to interact with practitioners of various forms of ecumenical mission.
